

Gladiator Hire Agreement and Disclaimer - Please read before hire

Please return our equipment in the same condition that we have given it to you. If we have to subcontract cleaners, then your deposit will be lost and additional charges may be charged.

Gladiator Hire Agreement. When used correctly the gladiator equipment can be hilarious fun, but if used incorrectly they represent a serious risk of injury or even death to anybody using them.

Your safety is paramount, in order for you to get the most fun and enjoyment from our equipment please observe these instructions. If there is anything you don't understand or are unsure of, please don't hesitate to ask.

Make sure all the protection supplied is being worn. Make sure that the helmet is being worn and is securely fitted onto the user's head, not too tight so as to choke but it shouldn't be loose or able to move around freely, it should be secure.

The Gladiator helmet is 'one size fits all'. This must be worn at all times.

The Gladiator bouncy bed should have plenty of clear space all around, at least 10ft but preferably a lot more, spectators should be kept a similar distance away. When wrestlers fall they can easily fall or roll off the inflatable.

The wrestling event should be supervised by minimum of 1 responsible adult (over 18 years old & sober!).

If anybody refuses to wear the required safety equipment, then they can't use our equipment. You are fully responsible as the hirer for both the equipment and the participant, if it isn't supervised for any amount of time then it should be shut down and no-one allowed to use it until it can be supervised again!

Ensure there is adequate First Aid equipment available before using the equipment.

The Gladiator equipment must be returned in an acceptable condition, i.e. clean, unsoiled and undamaged.

No eating, drinking, shoes, glasses, jewellery, buckles, key-rings, metal-studded clothing, pets, silly string, toys or other sharp instruments or similar items which could cause injury or damage allowed on the gladiator equipment at any time.

Remember, these are hired for fun, do not be overly aggressive or enthusiastic, hitting somebody excessively hard or body slamming them is not advised, this won't improve your experience using them but may hurt somebody quite seriously. The idea of the game is to force your opponent onto the floor or out of the circle, not to beat or crush them as hard as you can.

In the event of unsuitable weather, the full fee will still be payable for services and entertainments provided.

Cancellation terms apply once a booking has been accepted, either verbally or in writing. Cool Parties cancellation terms apply and take preference over any such terms in client's standard terms. Unless otherwise indicated, for cancellations more than one month, 25% of contract value and for cancellations within one month 100%

Cool Parties will only operate within accepted standards of Health & Safety and our staff on site reserve the right to refuse to provide services that contravene those standards or the terms of our insurance.

Please ensure there is a minimum of 3 feet clear access to where the inflatable is going, and if there are any stairs. Failure to notify us of this could result in the cancellation of your equipment and the cancellation period applicable.
